Avast® CloudCare Benefits

Save money

Pay-as-you-go services
All add-on services are available in monthly subscription. For Avast Antivirus and Avast Content Filtering you can also choose from yearly or 2-year subscriptions.

No upfront investment
No new hardware or third-party software is required.

No license limits
There is no minimum number of services you need to purchase, and no license numbers to keep up with.

One-click activation
Save money with real-time activation and deactivation of services and devices. Whenever an employee joins or leaves your company, adding or removing his computer can be done in a snap.

Free 30-day trial
Try the full versions of our Avast Antivirus and Avast Content Filtering services free for 30 days.

Improve efficiency

Fast, flexible, and accurate content filtering
Block inappropriate or distracting websites to boost employee productivity. Or allow your employees access to sites like Facebook® only during specific times, such as their lunch break.

Stay protected

Virus and spam protection
Help keep your company free of viruses, malware, and spam with Avast Antivirus and Avast Email Security Services.

Automatic updates and upgrades
Ensure that your employees' protection is always up-to-date. Real-time updates, upgrades, and even uninstalls are automatically pushed to your employees' computers so there's no need to waste time with manual checks.

Be in control

Multiple alerts
Stay right on top of things with automatic email alerts. Whenever there's an issue, your IT provider will be notified immediately.

Reporting
Your IT Provider can quickly review the activity and status of all your devices via multiple auto-generated reports, including executive summary, security, operational, and content filtering reports.
